# Testimonials

Had the pleasure of working with Raja and his team. They are responsive , knowledgable , creative and pro active. A true business partner to work with. They have helped to increase online presence for several projects and add value to each organization's digital marketing efforts.

## **Benjamin Tan**

Great Value, excellent attention to detail, job done quickly and all follow up attended to immediately. Also was able to fulfil virtually all customized job specifications in a very short period of time. If any problems arose Raja worked with us to find a solution. We had an excellent team effort and all ideas were considered and evaluated. Raja came recommended to me from a high level firm in the U.S. and lived up to that recommendation. Thanks.

## **Blue Z Water**

I honestly don't 'know what to say here. Wibits and Raj are about the best team you could work with in Digital Media. I've known these guys for 20 years and they just keep getting better and making markets for their clients. For me, that means making markets for MY CLIENTS! So I'm giving away the store here!

## **C Douglas Conlan**

We have been working with Wibits Web Solutions for over three years. Their work is miles ahead of their competitors, they are very professional and always deliver on time. You can rely on them. Laprosearch & Libroscript.

## **Mike Bocks**

Huge project, they completely changed my site which was hosted on blogger to wordpress without any loss of data. Planned move, no fuss at all. Very good service. Thanks to Raja who explained everything to me patiently and made the huge move like a breeze. He is very talented and experienced. I AM ONE HAPPY CLIENT. Would definitely recommend it to others.
